

OPT-IN TO THE MINING DIVISION

Use this form to opt-in to the Mining Division.

Before you start... Fill this form out in **BLOCK** letters using a **black or blue pen**. Write **'X'** to mark boxes.

- When you join the fund and become eligible for insurance, your cover will be offered through our Insurance Default Division.
- However, you have a one-off opportunity to opt-in to our Mining Division within 60 days of the date of your insurance welcome letter.
- Once you've opted into the Mining Division, you're unable to switch back into the Default Division.
- By opting in to the Mining Division, your Basic Cover in the Default Division will end and you'll receive Basic Cover in the Mining Division, including Standard income Protection insurance if you're eligible.
- Whether it's best for you to join our Mining Division depends on your personal circumstances. For example, the Mining Division is especially designed for people working in mining industries. It also has automatic IP insurance, which means you don't need to get your health assessed. There are also differences in the costs of insurances across the two Divisions, along with different cover features and benefit periods.
- It's important you read the Insurance Guide - Mining Division closely before making any changes to your insurance.
