

APPLICATION FOR LIFE EVENTS COVER

IMPORTANT INFORMATION

This form is for members who hold insurance in the DEFAULT DIVISION. Generally, you're in the Default Division if you joined the Fund on or after 20 May 2024, are eligible for insurance and haven't opted in to the MINING DIVISION. If you hold insurance in the MINING DIVISION you're covered under different insurance arrangements. If you currently have insurance, you can find the Division you're part of by logging in to your online account at mine.com.au/login or by calling us on 13 64 63.

Before you start... Fill this form out in BLOCK letters using a black or blue pen. Write 'X' to mark boxes.

Use this form to receive additional Death and Terminal Illness (DTI) and Total and Permanent Disablement (TPD) Cover, and/or Income Protection insurance, without needing to provide health evidence, upon successful application following one of the following Life Events:

- a salary increase
- you recently married
- you or your spouse gave birth to or adopted a child
- your child attends primary or secondary school for the first time
- you mortgaged your home as security for a loan to purchase that home
- you got divorced
- your spouse died
- you first became eligible for a Centrelink Carer's Allowance.

The application must be received by us in time for it to reach the Fund's insurer within 60 days of the relevant Lifetime Event occurring or within 60 days of the date of the next member statement issued to you after the occurrence of the event. Any increase under Life Events Cover will be Voluntary Cover.

Please read the Product Disclosure Statement (PDS) and the **Insurance Guide - Default Division** in full before completing this form.

THE DUTY TO TAKE REASONABLE CARE

If you apply for life insurance, you will be treated as if you are applying for cover under an individual consumer insurance contract. The Insurer will conduct a process called underwriting. It's how it decides whether it can cover you, and if so on what terms and at what cost.

As part of underwriting, the Insurer will ask questions it needs to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance.

The information you provide in response to those questions will be vital to the Insurer's decision. As such, when applying for life insurance you have a legal duty to take reasonable care not to make a misrepresentation to the Insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed.

This may also result in a claim being declined or a benefit being reduced.

Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances.
- what the Insurer would have done if the duty had been met - for example, whether it would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.
